

`Solution::Solution`

```
graph LR; A[Solution::Solution] --> B[Solution::getNDimensions]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text `Solution::Solution`. The right box is white and contains the text `Solution::getNDimensions`. A dark blue arrow points from the right side of the gray box to the left side of the white box.

`Solution::getNDimensions`
